FORWARD PLATE LF 130 LT Honda
Art nr: 967 89 66-01

LF 130 LT is a heavy, fast-operating forward plate compactor, ideal for compacting thin to medium layers of granular soils. The unique plate shape and optimised speed enable fast and easy compaction with high production rates. The exclusive, patented low-vibration handle protects you from unhealthy vibration levels and the compact design with foldable handle make transportation and storage easy.
