

## Husqvarna AX

Husqvarna AX is a series of concrete vibrators designed to handle all types of concrete. It is reliable, durable and powered for the toughest jobs. The ergonomic electric motor-in-head design provides outstanding performance. Maintenance-free and offering a 100% start-up rate, the AX vibrators fit most applications.

### **Tough, flexible materials**

All cables and hoses offer excellent resistance, traction and bending properties.

### **Built to last**

Equipped with roller bearings and induction hardened steel for extended service life. AX 36 and AX 40 have ball bearings.

### **Handles all types of concrete**

Designed to help you handle all types of concrete – from high to low slump concrete and thin beams to extensive foundations.

### **Cover all concrete internal vibrations**

Ideal when several diameters are required on the same work site as one frequency converter allows you to run up to four vibrators simultaneously.

## FEATURES

- Handles all types of concrete
- Built to last
- Tough, flexible materials
- Cover all concrete internal vibrations

### Technical Specifications

ENGINE	
Output power	1 kW
SPECIFICATIONS	
Rated current	19 A
Frequency	200 Hz
Frequency	12000
Voltage	42 V
Vibration value	4.62 m/s <sup>2</sup>
DIMENSIONS	
Hose length	5 m
Tube diameter	65 mm
Cable length	10 m
Tube weight	7.7
PACKAGING	
Packaging length	800 mm
Packaging width	560 mm
Packaging height	160 mm
Packaging volume	72 dm <sup>3</sup>
