

Husqvarna Superflex

Husqvarna Superflex is a series of flexible drive shafts for AT vibrator heads. Available in different lengths to suit your application. The quick-connection solution makes it very easy to fit the flexible shaft to the AME 1600 drive unit with only a press of a button.

Durable design

Heavy-duty rubber lining protects the steel shaft, providing long service life.

Quick connection

It fits the flexible shaft to the AME 1600 drive unit with only a press of a button.

Optimal length

The flexible shaft is available in various lengths to suit your job perfectly.

Versatile

The modular design offers high versatility to suit the current job requirements.

FEATURES

- Optimal length
- Quick connection
- Durable design
- Versatile
