

Husqvarna AT

Husqvarna AT is a series of concrete vibrator heads to be used with Husqvarna AME 1600 drive unit. An ideal entry level solution for pouring floors, slabs and beams in housing constructions. The 3-step modular design offers high versatility with 16 different combinations of Superflex hoses and AT-heads to suit the current job requirements. The vibrator heads are durable, easy-to-operate and offer long service life.

High productivity

The radius of action is 10 x diameter for efficient concrete vibration.

Optimal diameter

The vibrator head is available in various diameters to suit your job perfectly.

Technical Specifications

SPECIFICATIONS	
Frequency	12000
Vibration value	9.74 m/s ²
DIMENSIONS	
Tube diameter	49 mm
Tube weight	2.7
PACKAGING	
Packaging length	53 mm
Packaging width	52 mm
Packaging height	342 mm
Packaging volume	1 dm ³
