

Husqvarna AME 1600

AME 1600 is a portable electric drive unit for the modular flex-shaft concrete vibrators in the AT series. The instant speed and power from the drive unit delivers rapid acceleration, while the high-quality components and oil lubrication ensure long life and keep life cycle costs low.

Modular design

The 3-step modular design offers high versatility with several combinations of Superflex hoses and AT-heads depending on the current job requirements.

Easy to service

The service-friendly design includes easy-to-access carbon brushes with automatic cut-off to protect the motor.

Long service life

Oil lubrication, dust foam filter and over-load protection increase the service life and helps reduce lifecycle costs.

Ergonomic design

The handle is designed to reduced vibrations in your hands and arms.

FEATURES

- Long service life
- Easy to service
- Modular design
- Ergonomic design
- Easy to assemble and use

Technical Specifications

ENGINE	
Output power	1.7 kW
SPECIFICATIONS	
Frequency	50/60 Hz
Frequency	12000
Voltage	230 V
Vibration value	2.84 m/s ²
DIMENSIONS	
Weight	6.1 kg
SOUND AND NOISE	
Sound power level, measured	77 dB(A)
PACKAGING	
Packaging length	457 mm
Packaging width	194 mm
Packaging height	264 mm
Packaging volume	23 dm ³
