

Husqvarna K 535i

The Husqvarna K 535i is a lightweight battery power cutter with low vibrations and user-friendly ergonomics. The excellent power-to-weight ratio makes it a versatile addition for lighter land or hardscaping jobs and perfect for quick and efficient cuts. Suitable for concrete garden plates, granite, roof and floor tiles. K 535i is adaptable for wet and dry cutting. Fits with Husqvarna BLi200/300 batteries.

Smart battery placement

The side-fed battery placement maximises cooling and minimise slurry and dust containment.

Lightweight maneuverability

The slim design and low weight makes it easy to lift, control and manoeuvre during operation, which combined with exceptionally low vibrations makes this an ideal machine for lighter concrete jobs.

One battery system

You can easily move the battery from one product to another without interrupting your work.

Zero CO emissions during use

Enjoy the freedom of working with an electric machine. Explore the potential of new applications by running the machine indoors or in urban areas where emissions or noise levels might be regulated.

FEATURES

- One battery system
- Lightweight manoeuvrability
- Smart battery placement
- Zero CO₂ emissions during use
- Intuitive keypad
- In-house developed brushless motor provides a high and consistent torque.
- Perfect balance
- Ergonomic handles
- Rope eyelet
- Electric blade brake

Technical Specifications

EQUIPMENT	
Cutting depth, max	76 mm
Blade diameter, max	230 mm
Arbor diameter	22.23 mm
Blade thickness, max	3 mm
Peripheral speed, max	70 m/s
DIMENSIONS	
Product size width	220 mm
Product size height	310 mm
SOUND AND NOISE	
Sound power level, measured	111.5 dB(A)
Sound pressure level at operators ear	100.5 dB(A)
VIBRATIONS	
Vibrations left/front handle	2.1 m/s ²
Vibrations right/rear handle	2.5 m/s ²
PACKAGING	
Packaging length	560 mm
Packaging width	220 mm
Packaging height	310 mm
