

## Husqvarna BMG 555SC

BMG 555SC is a triple disc grinder designed for various sizes of horizontal surface preparation applications. BMG 555SC is equipped as standard with a speed control system and has been designed for the mid-size grinder market. BMG 555SC is equipped with a smart easy-to-use keypad that gives you all relevant information such as Amps, Volt, rpm etc. In addition, the adjustable steering handle includes protection for the operating buttons. This is an ideal machine for companies dealing with removal of coating, concrete grinding or polishing applications.

### Efficient dust management

This grinder is equipped as standard with a local dust exhaust of 76 mm diameter, a floating shroud and an extra nozzle for minimised dust exposure on the job site.

### Plug and grind

This triple disc grinder is equipped as standard with a speed control system. It makes the machine ideal for all type of applications.

### Adjustable steering handle

The adjustable steering handle includes a smart easy-to-use keypad with all relevant information (Amps, Volt, rpm, etc).

### Time saving tool change

This floor grinder is standard delivered with the 185 mm diameter Slidemag adapter plates. These allow the Slidemag wings to be easily slid in and out.

## FEATURES

- Adjustable steering handle
- Plug and grind
- Efficient dust management
- Time saving tool change

### Technical Specifications

<b>MOTOR</b>	
Rated current	32 A
Voltage	400 V
Phases	3 ph
Frequency	50-60 Hz
<b>OTHER</b>	
Grinding width	555 mm
Grinding disc diameter	185 mm
Grinding disc speed min	50 rpm
Grinding disc speed max	1100 rpm
Number of grinding discs	3
<b>DIMENSIONS</b>	
Product size length	2080 mm
Product size width	595 mm
Product size height	1172 mm
Weight	298 kg
<b>PACKAGING</b>	
Packaging length	1200 mm
Packaging width	800 mm
Packaging height	1155 mm
