Features for 530iP4

savE™

Choose between normal or savE™ mode, depending on conditions, for maximum power or maximum runtime. Either way, you'll always get a perfect result.

Efficient brushless motor

Our in-house developed, advanced brushless motor is 25 % more efficient than a standard brush motor. This means that the motor provides a high and consistent torque.

Intuitive key pad

The key pad is very easy to operate.

Ergonomic handle

Ergonomically shaped handle for greater comfort and easy access to the controls.
