

Husqvarna HG 125 B

A powerful, battery-operated handheld grinder that delivers all the performance of a corded machine with the freedom and efficiency of cordless battery power. Combined with advanced features such as power shut-off and restart protection, you can more easily tackle everyday angle grinder jobs like cutting and grinding concrete, stone, metal and various masonry work. Cordless operation leaves you free to enjoy greater mobility on jobsites and make more of your time count.

Tool-free tool change

Tool-free lock nut mechanism for fast and easy tool changes.

Restart protection

Minimises the risk of accidental start up if the power supply is interrupted.

Kickback shut-off

Assists with power shut-off in the event of a tool jam.

18V battery system

Compatible with all new and existing Bosch Professional 18 V tools and chargers.

FEATURES

- Tool-free tool change
- 18V battery system
- Restart protection
- Kickback shut-off
- Brake system
- Impact shut-off
- Anti-vibration handle
- Protective guard
